SAKE

Fukuju Junmai Ginjo Sake <i>Hyogo, Japan</i>	500
-------------------------------------------------	-----

This smooth and user friendly Ginjo has a rolling nose filled with strawberries, and melon, and a hint of banana. Silky, juicy, fleshy, and super smooth Fukuju is a walk on the fruit side. How can rice and water taste like fruit? That is the amazing thing about this amazing sake that feels so great in the mouth – like a buoy on the bay! And best of all this juicy and fruity sake does not drink cloyingly sweet, rather it drinks velvety and extremely soft. A slick sake that walks the walk.
